

Animations

Technical Requirements

All Animations

Duration	Animation	10 to 90 Minutes; according to the agreed terms. A performance should last a maximum of 90 minutes at a time. Several performances may be booked for your occasion.
	Installation and Depletion	According to the agreed terms.

Remarks

Lighting and sound often support an atmospheric ambience. In the absence of a lighting concept or a PA system on site, we can gladly bring basic lighting and PA if needed.

A dressing room and catering facilities are welcome, but not required.
