

# Circo Fuoco

## Technical Requirements

**Duration**                      Show                                      5 to 20 Minutes  
   Installation and Depletion                      15 Minutes each

**Space Requirements (at least)**

|                         |                 |               |
|-------------------------|-----------------|---------------|
| Complete Show (Outdoor) | Space<br>Height | 6m x 8m<br>4m |
| Reduced Show (Outdoor)  | Space<br>Height | 4m x 4m<br>3m |

No inflammable object near the performing space.  
If you'd like to book an indoor show, good ventilation and the obligate safety codes of the fire and police department, which we gladly can clarify for you beforehand, are mandatory requirements.

**Sound**                                      PA system.  
   In the absence of a PA system on site, we can gladly bring our own.

**Remarks**                                      A dressing room and catering facilities are welcome, but not required.
